

AI Walay: Elevating Your Legal Practice with Enterprise-Grade AI

Your Strategic Partner for AI Automation, Web Development, and Digital Marketing.

AI Walay

ONE-STOP SOLUTION FOR LAW FIRMS

THE CHALLENGE

Manual Intake and Content Production Are Bottlenecks

INEFFICIENT CLIENT INTAKE

Manual intake processes are slow and prone to error.

Delayed follow-ups mean potential clients look elsewhere, hindering your firm's growth.

CONTENT PRODUCTION BURDEN

Producing high-quality blogs, bios, and RFPs is time-consuming. **Manual content creation** distracts your team from high-value legal work.

STREAMLINE YOUR PRACTICE WITH ENTERPRISE-GRADE AI AUTOMATION.

AI Automation in Business

THE SOLUTION

The Solution: Automated Intake, Data-Driven Growth

AUTOMATED CLIENT INTAKE

AI-driven intake systems that **qualify and onboard clients instantly**, ensuring no potential case is missed due to response lag.

AI-POWERED AUTHORITY BUILDING

Automated production of **high-quality legal content** (blogs, bios, case studies) to build your firm's digital authority and SEO ranking.

ONE-STOP LEGAL TECH

A complete package of **AI automation, secure web dev, and data-driven marketing** designed for enterprise-grade legal excellence.

THE AUTOMATION

AI Automation: Grounded, Auditable Intake Assistants

GROUNDING CLIENT INTAKE

Autonomous AI agents that **qualify and onboard potential clients** based on your firm's specific legal criteria and practice areas.

AUDITABLE OPERATIONAL FAQ

AI assistants that answer **operational and policy questions** with 100% source attribution, ensuring every response is grounded in your approved documentation.

SECURE DATA HANDLING

Enterprise-grade **security and encryption** for all client interactions, maintaining the highest standards of legal confidentiality and compliance.

DIGITAL AUTHORITY

Marketing & IT: Building Authority through AI-Powered Search

SEO / AEO / GEO

Dominating **AI-powered search engines** and generative results to ensure your firm is the authoritative choice for legal inquiries in your jurisdiction.

AUTOMATED CONTENT

AI-driven **legal blog and bio production** that maintains a consistent, high-quality digital presence without burdening your legal team.

SECURE IT INFRASTRUCTURE

Robust **CRM pipelines and secure cloud systems** designed for the legal industry, ensuring client confidentiality and operational reliability.

THE TECHNICAL FOUNDATION FOR YOUR FIRM'S DIGITAL EXCELLENCE.

CONCLUSION

Partnership: Your Strategic Partner for Legal Excellence

STRATEGIC TECH PARTNER

We act as your dedicated CTO and marketing team, handling all technical complexities so you can focus on high-value legal work.

SCALABLE INTAKE INFRASTRUCTURE
